Dear Rod,

I would like to personally thank you for all of the support you have given to Toms River Township. Your expertise provided my staff and governing body with the essential tools needed to help our residents begin the rebuilding phase from the devastation of Hurricane Sandy.

Last week, you spoke to our homeowners at an "Elevation 101" seminar at one of our local high schools. You should know that both seminars accommodated 650 people and we "sold out" of both seminars within a day. There is an obvious demand and a need to hear from industry experts in the Hazard Mitigation field. We have since heard from many residents thanking us for putting together the seminar.

Again, thank you for making yourself so available to us.

Sincerely,

Mayor Thomas F. Kelaher
